Inspire Learning • Empower Kids • End Homelessness

ANNUAL REPORT 2008 - 2009

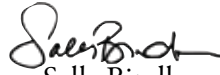

**WHAT YOU DON'T KNOW ABOUT HOMELESSNESS,
2,500 INDIANAPOLIS CHILDREN DO.**

Dear Friends:

The signs of a struggling economy are all around us. Homelessness is on the rise. In fact, there was a 78% increase in the number of homeless families in Indianapolis last year. In a time when the situation can seem bleak, School on Wheels is here to provide hope and help to the youngest victims of homelessness – the children.

We are pleased to share with you some good news! We have met the increasing need for our services and provided more hours of tutoring to homeless children than ever before. We recruited, trained and retained more volunteers than at any other time in our history. We couldn't have done it without the support of our volunteers, donors, colleagues and friends. On behalf of the homeless families we serve, thank you for your continued commitment, contributions, involvement and encouragement.
